wrong;

Foots are my thome, let satire be my Those who are at all familiar with my course of life are aware that, for a long time past, I have endeavored castlensly to avoid controversial strife. I have never entered into the political arena at all, except upon

upon Georgia soil, much as I deplored and condemned his conduct, I determined, for certain delicate persons, to leave the task of counteracting the tendency of his mischievous utterances to be executed by others: though I could not perceive that much evil was to be apprehended from allowing his inflammatory and vehement decisrations to pass nurebuked. My moderation and forberance will be appreciated by those who shall understand that I was then altogether safisfied that they were confidently expecting that, in connection with the Presidenfin! contest of 1872, they would be able, by the exercise of superior adroitness, with even greater than their former success, to sow the seeds of discord in the bosom of the National Democratic party, disrupt its strength, bring about the election of General Grant,

this beatific vision of coming glory, and whilst he was wending his way to the confines of Georgia, in order to curial people he flames of domestic time at Philadelphia. conflict, by getting the Democrate of that region committed against the COTTON TAX OF 1865, '66 and '67. The ruins of the ribat region committed against the Vallandigham platform, the general adoption of which could not but prove fatal to their hopes, it so happened that Major J. C. Thompson, of this vicinage, a gentleman of much learning. marked ability and sterling patriotism, but who, unlike myself, believes yet in the ab- To the Senate and House of Representapaper I stand charged, evidently under the direction of Mr. Davis himself, with being the suther of the resolutions in question, and have been made the subject of an indecent and virulent assist on the part of these individuals, an assist as weak as it is dividuals, an assist as weak as it is dividuals, an assist as weak as it is dividuals, an assist as weak as it is dividuals.

pears, was the author of them, and he immediately instigated the only editors in the State base enough to be used for so netarious a purpose, to open the fixed editors in the State base enough to be used for so netarious a purpose, to open the fixed editors in the State of Mississippi, and other States of their black, may be made at this time with the guard denumeration upon me.

Let me tell Mr. Jefferson Davis and hies atellites that I know them only to despise them. My character is not in reach of such arrows of defamation as they have at their command, and that it is not even in their power to disturb my sevenity for a moment.

I have tuit little more to say of Mr. They in invalid for the wrong done the immediately instituted of a surrounder. They in invalid for the wrong dother the wong dother the state of Mississippi, and other States of the South, by the cotton tax, may be made at this time with the state of the South, by the cotton tax, may be made at this time with the highest point reached. The people continue moving from the overhowed districts.

The President of the Gas Light Company states that if the water constant it is not even in their power to disturb my sevenity for a moment.

I have tuit little more to say of Mr. They in invalid for the wrong done and emand fair; finding, long, the time with the and emand fair; finding, long, the site of Mississippi, and other States of Mississ I have that little more to say of Mr. thority, the reparation may be taken with rain on Lake Ponchartrain this wisely from the attitude of a surrender with rain on Lake Ponchartrain this wisely from the attitude of a surrender. to admonish him to the exercise of a to right to that of a concession of fra-little more prudence in the future than ternal feeling. With that view I bring failen two inches in the past twentyhe has lately put in practice. The before your honorable bodies this very people of the South know that he was straggling for more than twenty years to engall them in civil war before he could effect his object; that when the war was finally brought on, he shame-fully abjusted all the vast powers intrusted to him; that he evinced the most disgrandful incompetency in his whole management of Confederate concerns; that he heartlessly persecuted many of their best Generals; people of the South know that he was interesting subject, and recommend cuted many of their best Generals; promote the national harmony by rewinced on all occasions the lowest junding to the struggling cotton in carry lights and after dark the spectaand meanest selfishness; cruelly pro-tracted the war beyond all reasonable limits; setting his face against all ferms of peace to the last moment, 66 and 67. ARKANSAS.
